## **WELCOME BACK, TO OUR ANNUAL BUSINESS ACHIEVEMENT AWARDS!**

It's a time of the year that everyone, board, staff, and members, look forward to. A time to look back at the previous year, and take stock and to celebrate the businesses and people in our community, who have achieved greatness. They may have successfully started a business, grown their business, or volunteered their time. In any way - they have made a significant impact in our community, propelling us ever forward. And tonight, we take time to celebrate them, and thank them for their hard work.

A huge thank you to our sponsors, for making this night possible. A huge thanks, also, to our volunteers, our board, and staff, who work throughout the year to make the Flamborough Chamber successful. As a small, but mighty chamber of commerce, we rely on the support of our community to effectively deliver the services, and advocacy our community needs.

A final thanks to all of you - the community I keep referring to. Your support and continued partnership make all the difference.

On behalf of myself, staff, and the board,

“Congratulations to all the nominees and winners of  
Flamborough's 2020 Outstanding Business Awards.  
Thankfully we can still celebrate our Flamborough

despite the challenges we face due to the  
continuing restrictions related to COVID.”

My thoughts are with you and, on behalf of the Ward  
13, I didn't want to miss the opportunity to express  
our sincere appreciation for your contributions to  
the Flamborough community, recognize your  
achievements, and wish you continued success in the  
future.”

**Councillor Arlene VanderBeek,  
Ward 13 - Central Flamborough & Dundas**

“As City Councillor for Ward 15, I am pleased to congratulate all of the nominated businesses that have been committed to Building Community Together through economic development and supporting our local communities here in Flamborough. Your investment in our communities and local economy is what makes Flamborough stronger, with extraordinary energy, innovation, professionalism and leadership in your business pursuits. It is with a great deal of pride that I join you in celebration of continued success and growth as you foster business and community relationships across the city.”

**Councillor Judi Partridge**  
**Ward 15 - Flamborough**

“On behalf of the Government of Ontario, I want to congratulate the 2020 Outstanding Business Achievement Award winners! Businesses led by innovative thinkers and those who have a dream and dare to pursue it, are the backbone of our economy. Our government is committed to making Ontario “Open for Business” and as the Parliamentary Assistant to the Minister of Economic Development, Job Creation and Trade, we look to your vision, hard work and commitment to excellence as examples for all of us to admire and another reason why Flamborough is such a wonderful and growing community.”

You are the best of the best! FCC members are the backbone of the fast-growing Flamborough and Waterdown communities. It's one of the key reasons we've seen significant new companies choosing Flamborough to locate and do business. You are engaged citizens and excellent employers – thank you!”
